EXPERIENCE

Assistant Engineer

Sep 2022 - Jun 2023

Northern Marine Management India Pvt. Ltd · Mumbai, India

- Managed inventory and material availability, ensuring 95% on-time delivery of components to assembly lines.
- Utilized SAP for effective tracking and documentation of work orders, resulting in a 20% reduction in lead times.
- Developed and implemented a Power BI dashboard for monitoring logistics operations, contributing to a 12% decrease in operational costs.

Engineer

Feb 2021 - Sep 2022

Scorpio Marine Management India Pvt. Ltd · Mumbai, India

- Coordinated logistics for freight flow and terminal operations, achieving a 30% improvement in vessel turnaround times.
- Enhanced compliance and documentation processes for maritime logistics, ensuring adherence to international standards.
- Implemented process optimization strategies that reduced SO₂ emissions by up to 85% while improving operational efficiency.

Junior Engineer

Mar 2020 - Jan 2021

Scorpio Marine Management India Pvt. Ltd · Mumbai, India

- Supported supply chain operations by tracking spare parts and coordinating with international suppliers, improving material availability.
- Assisted in the documentation of quality reports and non-conformities, contributing to enhanced compliance and operational standards.

EDUCATION

MSc in Logistics and Supply Chain Management

2023 - 2026

Technische Universität Riga · Riga, Latvia

- Master thesis: Sustainability assessment of digital technologies in maritime logistics
- GPA: 8.23/10

Bachelor of Technology in Marine Engineering

2014 - 2018

Indian Maritime University · Chennai, India

- Specialization in Mechanical Engineering, Propulsion Systems, SOLAS Compliance
- GPA: 81.2/100
